College Hill Partnership Mission Statement

College Hill Partnership (CHP) is a non-profit organization that serves as the leader in revitalization and promotion of the College Hill area, an urban neighborhood community. The scope of its mission includes promoting healthy neighborhood businesses and housing enhancement; strengthening collaboration and pride; developing public/private partnerships; and serving as an advocate for addressing area concerns.

I. Call to order
Deibler called to order to 12:00.

II. Approval of minutes - July 2019
July minutes were approved without changes.

III. Presentation: Potential College Hill Murals Wheat Pasting -Bettina Fabos & Isaac Campbell
Introduced technique, photo collection, and proposed to place one or several murals on several spots on College Hill. Requested for the CHP support with project. Will be providing a proposal at a later date.

IV. New Business including:
A. Discussion: Financial Support for Cedar River Recreation Project
Motion Dahlstrom, Fuchtmann: Approved to support Cedar River Recreation Project with at \$100 financial donation.

B. Discussion: Parking Study Results
1. Document Attached link to presentation
<https://www.youtube.com/watch?v=2UGNFhIjcc8> (Starting 5:04)
Discussion about importance of the next steps. Board members mentioned excitement about next steps in this process. City has arranged a parking taskforce for College Hill, first meeting will be Sept 17th hosted by the CHP office.

C. Discussion: Street Banner Usage
Street banner signs to develop community awareness. Request from business to advertise would not be appropriate from the standpoint of city and CHP. Signs would have to go through approval by P and Z and Council, this would be for public events i.e. fun run/festivals.

D. Discussion: Recruiting Experts to Help Facilitate "Good Neighbor Program"
1. Landlord and Student Obligations/Rights
UNI CHP and City have been meeting to see how we could improve relationships between tenants who happen to be students, the city, the CHP and the neighborhood. In hopes to reduce the zoning code complaints Kathryn requested several meetings and one way UNI and the city thought the CHP could help would be to provide some material that could be give to students about what to look for when you sign a lease. I.e. who cares for lawn, where to place large items when you are trying to get rid of them, other items students may not know about with this being their first experience living on their own. Martin volunteered to work on a draft that we could promote on our site and also provide in communication venus the university provides.
